

Christmas Confessions

As Advent unfolds, we often find ourselves busy "tidying up" our homes, preparing everything for the joyous celebration of Christ's birth.

This beautiful season also invites us to spiritually tidy our hearts and souls, making sacred space for the Lord.

One of the most profound and comforting ways we can prepare is through the Sacrament of Reconciliation (confessions).

It's an opportunity to lay down our burdens, experience God's boundless mercy, and feel truly reconciled and renewed.

On the weekend 13th and 14th December, following the vigil on Saturday and Sunday Masses, we will be offering the Sacrament of Reconciliation in a welcoming and warm environment.

No matter how long it has been since your last confession, please know that you are most welcome to come and be reconciled with God.

"The light is on for you" – a light of hope, healing, and unconditional love
